Catoosa County GOP 2024 Primary Ballot Questions

1. Do you think anti-Trump Democrats should be able to get a court order to force the elections board to qualify them as Republican candidates for office?
2. Did you know that Stephen Henry, Vanita Hullander, Jeff Long, and Larry Black were not approved to run as Republicans by the Republican Party?
3. Would you support State legislation that would prevent Federal Law Enforcement agencies from using State and Local Law Enforcement to seize firearms?
